Thank you for submitting your Tournament Roster.

NextWave: Insuring the costs of your players' soccer fees

We are highly recommending you learn more about the new insurance policy by AIG called [Registration Saver](#), for the 2015/16 soccer season, soccer tournaments and camp programs.

Even though you have already registered for your soccer tournament or camp, you can still purchase a policy. The cost is only approximately 6% of your soccer fees.

Unforeseen events could prevent your child from playing soccer. A Registration Saver policy will give you financial relief should something happen to occur during the season.
